To all members of Keio University

Keio University President Kohei Itoh  
Chairman of the Keio Rengo Mita-Kai Yutaka Aso

## Request for Donations to the Noto Peninsula Earthquake Relief Fund

In the past, Yukichi Fukuzawa, the founder of Keio University, often endeavored to provide support to areas stricken by major disasters by asking for donations. Based on this legacy, Keio University and the Keio Rengo Mita-Kai have come together as a larger Keio community with the cooperation of everyone willing to extend a helping hand, to collect donations for the “Noto Peninsula Earthquake Relief Fund” to provide maximum support for the victims of this disaster.

We will donate the full amount of your generous contributions to the Japanese Red Cross Society under the name of the “Noto Peninsula Earthquake Relief Fund.”

Those who donate to the fund will also have their names recorded in the university’s donor honor roll in perpetuity. Please take the time to register using the form provided below.
